Newsletter No. 34

Date: 8<sup>th</sup> June, 2015

Dear Parents,

I received a phone call from the Diocese of Leeds to inform us that our S48 Inspection will take place on Thursday and Friday this week. The arrangements for the Section 48 Inspections (Education Act 2005) enable the Church to assess systematically the work of Catholic schools. They also provide an opportunity to support, challenge, evaluate and promote this vital work in the mission of the Church.

The Framework and Schedule set out the requirements, which will enable a full coverage of the school's Catholic life and worship and its provision, work and achievements in the field of Religious Education. Keep us in your prayers.

Thought of the week

The birth stone for June is sometimes said to be the agate, a stone harder than steel! Sometimes you have to be harder than steel too! When somebody else is trying to get you to do something that you **know** is **wrong**, you have to act like an agate; and no matter how hard it is, do what you **KNOW** is **RIGHT**!

## Tips to help keep children safe on the internet and social networks

Talking to your child is one of the best ways to keep them safe. You can also use parental controls on social networks, online games and browsers and on both hardware and software that can filter or monitor what your child can see. Preventing your children from using the internet or mobile phones won't keep them safe in the long run, so it's important to have conversations that help your child understand how to stay safe and what to do if they ever feel scared or uncomfortable.

Tips: \* Have a conversation early and often \* Explore online together \* know who your child is talking to online

\* Set rules & agree boundaries \* Use parental controls \* Check they know how to use privacy settings & reporting tools. Find more information on our website.
