Welcome back to our final half term of the year. We have a fun packed half term arranged for the children to end the year! We kick off with our Careers week; we have a range of speakers visiting this week to inform and inspire the children about future careers they may be interested in.

**Dress up as your chosen job on Friday 9<sup>th</sup> June!**

**Statement  
to live by**

**I know how  
to show I am  
sorry.**

### Weather

The summer sun has arrived! Please ensure that children have a hat, sun cream and water bottle with them in school. The children are very exposed when playing out even though we encourage them to play under shaded areas. Thank you.

### Ice-pop sale

On Friday 9<sup>th</sup> June, the school council will be holding an ice-pop sale at first break. Ice-pops will be on sale for 30p each. The school council are raising money for playground signs to further enhance and develop their lunchtime project.

**Summer Fair - Saturday 17th June - 11:30am - 3pm PTA**

**'Together in truth and faith we learn and grow as God's family'**

## The PTA are collecting jars this week.

### Sports Day

Weather permitting, Sports Day for **Reception to Year 6 will take place on Tuesday 11<sup>th</sup> July**. As has happened in the past, you are invited to order a picnic lunch and stay all day.

Nursery will hold a smaller sports event on the afternoon of **Monday 10<sup>th</sup> July from 1:45 to 3pm**. Parents are welcome to attend this event.

### Year 1 Phonics

The Year 1 Phonics Screening Check will be taking place the week commencing 12<sup>th</sup> June.

This is a national screening – it allows teachers to see if children are making sufficient progress in the phonics skills to read words and are on track to become fluent readers.

A more detailed letter will follow for parents of children in Year 1.

### Trips

Year 2 will be visiting Skelton Grange on **Tuesday 27<sup>th</sup> June**. This links to this term's topic about 'Living Things in their Environment'.

Nursery will be enjoying a day out at Skelton Grange on the **Wednesday 5<sup>th</sup> July**. More information to follow.

### Tips to help keep children safe on the internet and social networks

Talking to your child is one of the best ways to keep them safe. You can also use parental controls on social networks, online games and browsers and on both hardware and software that can filter or monitor what your child can see. Preventing your children from using the internet or mobile phones won't keep them safe in the long run, so it's important to have conversations that help your child understand how to stay safe and what to do if they ever feel scared or uncomfortable.

\*Have a conversation early and often \*Explore online Together \*Know who your child is talking to online \*Set rules & agree boundaries \*Use parental controls \*Check they know how to use privacy settings & reporting tools.
