Monday 19th March 2018,

**Thought of the week:**

This week is the birthday of Wilhelm Konrad Roentgen, the man who discovered how to use X-rays to help sick people.

If you pretended you had X-ray vision – how do you think people around you would feel inside- sad, happy, mad, hurt, lonely?

God looks deep inside us rather than at the superficial outside – what would He see in you?

**Year 1 Assembly**

Thank you to Mrs Nicolson and Year 1 for their amazing assembly on Friday their singing was beautiful.
