25.06.20

Dear Parents,

Thank you for your continued support with the completion of home learning tasks. The children have provided a wide-range of high quality and creative responses, which we have enjoyed seeing each week.

In order to continue to support the children's learning over the summer holidays, we have put together an optional support package for each child. This is in addition to some of the online learning platforms which will remain available for the children to access.

The online platforms available to use over the summer are:

- TimesTables Rockstars
- Yumu for music activities
- The full range of websites listed on the home learning page and the class pages of the school website
- Unfortunately Reading Plus ends on the 30<sup>th</sup> June, however it will be replaced by reading comprehension tasks, which will be uploaded by class teachers onto SeeSaw

The support package of activities for each child includes grammar, reading comprehension and maths activities for each week of the holidays. These have been printed for you and will be available to collect from the main office, if you would like to use them. If your child is currently attending school, they will bring their pack home with them. In order to avoid congestion in the main office, please collect your pack on the specified day. Please also return school reading books on this day. The packs of work do not need to be returned in September.

The days for the collection of work packs are:

Years 5 and 6 - Monday 6<sup>th</sup> July  
Year 4 - Tuesday 7<sup>th</sup> July  
Year 3 - Wednesday 8<sup>th</sup> July  
Year 2 - Thursday 9<sup>th</sup> July  
Year 1 and Reception - Friday 10<sup>th</sup> July

Thank you for your continued support

Miss W Grayston

Assistant headteacher
