TT Rock Stars competition

This week we are taking part in a competition for Maths Week England. It's called Rock Out 2020 and it's all done online via play.ttrockstars.com. The competition is open to children in years 2 to 6. For every correct answer to a multiplication or division question, you will earn your class a point. The Times Tables Rock Stars platform will calculate the class average (the number of correct answers per pupil in the class who play during the competition hours). Winning classes in the school and in the country as a whole will be the ones with the highest average. All game modes (Gig, Garage, Studio, etc.) will count but only from games played between 7.30am and 7.30pm on Monday 9th, Tuesday 10th, Wednesday 11th, Thursday 12th, Friday 13th and Saturday 14th. If we are the winning school or have a winning class, TT Rockstars will be giving out prizes! We will also have certificates for the top 3 scorers in each class and a prize for the winner of each class in our school. Good luck!
