BASC Weekly News

Headteacher's Welcome

We are so excited to launch our first newsletter for Breakfast & Afterschool club (BASC). You may be wondering why we have decided to create this for families? Well, we have been busy making lots of new changes from activities planned to updating our menus and wanted to share this with you all. We know how difficult it can be working long hours, so we want to celebrate and let you know what your children have been getting up to whilst being looked after & most importantly the fun they are having!

Thank you for your continued support,
Mrs Gibbons.

Baking Fun!

Every week two different year groups will bake with Mr M Allen which your child will be able to take home and eat!

Next week-Year 3 and 4.

Next week's baking recipe is:

Chocolate Cake

Activities done this week!

We have been really busy this week with different activities! We have been painting animals for St Francis Day, baking lemon drizzle, creating pictures using different resources, playing basketball games, creating different shapes with play dough, doing gymnastics shows and making different models from Lego.

Inside this newsletter:
