Weekly News Headteacher's Welcome

What an interesting week it has been with our snow flurry yesterday. Thank you for your understanding and appreciation of the staggered finish as I know it helped ease congestion on the very icy Highcliffe road and reassured grandparents who contacted concerned about collection. My priority is always to plan the best I can for the safety of all.

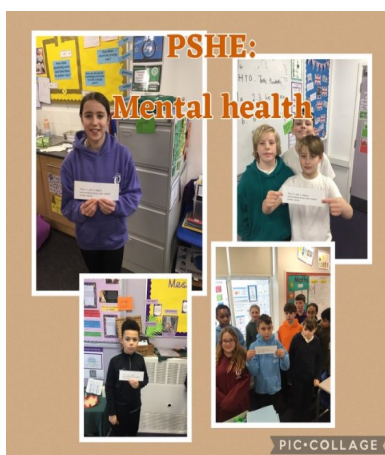

We have lots of exciting learning experiences this week from:

Lego workshops to

National online safety day; where Mrs Walker joined Year 2 and our whole School assembly to

Nursery and Reception celebrating Chinese New Year with Mrs Ho. Thank you Mrs Ho for telling us all about the origins of the Chinese celebration and for bringing us a range of traditional foods!

We also had an exciting 3rd place win at the Panathlon yesterday too, well done children for your hard work and brilliant achievements...although the journey back in the snow added to the excitement I'm sure you will agree!

We had a visit from Mrs Ward our Local Authority advisor, who came to see our delivery of Maths and look at the provision for our SEND children. She was extremely impressed with the challenge through our ambitious, yet personalised curriculum. Huge thank you to all the staff for continuing to provide our children with highest quality of education.

Wishing you all a wonderful half term break.

See you on Monday 19th February at 8:50am!

Mrs Gibbons

| Year 6 | Lucas E & Kody |

| Governance certificate | |
|------------------------|---------------------|
| Nursery | Elsie & Hugo |
| Reception | Rory & Bethel |
| Year 1 | Millie & Freddie |
| Year 2 | Divit & Emily |
| Year 3 | Matilda & Joseph Ha |
| Year 4 | Isla & Joehan |
| Year 5 | Frazer & Florence |
| Year 6 | Nael & Nayher |

STEM Lego workshops

As part of Year 1, 2 and 5's Design Technology curriculum, children had the opportunity to combine Lego with computing to form structures. The children loved planning and making their own computer controlled mechanisms.

Lower Key Stage 2

In Year 3 Science, we have been busy using scientific skills to explore the formation and differences in the main types of natural rocks through chocolate. We also explored fossilisation and the Mohs hardness scale. Year 3 certainly are rock-stars!

This week in Year 4, we have enjoyed making our light up greetings cards in DT, designing emojis for Safer Internet Day and working hard on bar charts in Maths!

Upper Key Stage 2

In Year 5, we worked together to create an aerial tramway using a pulley system. We had to show resilience and solve lots of different problems along the way!

In Year 6, we developed a wide range of food preparation skills as we made pizzas (including the dough from scratch) for the adults in school.

Dates for your diary next half term...

Monday 19th February – Back to school - school open for Spring 2 half term

Wednesday 21st February – Year 5 trip to Leeds Museum

– PTA event: Early Years / KS1 sponsored bounce

6th Sunday of Ordinary Time

One day a man who had leprosy came to Jesus because he wanted to be healed. The man knelt in front of Jesus and said, "If you want to, you can heal my leprosy." Jesus was filled with compassion and said, "Of course I want to." Then Jesus reached out to touch him and said, "Be healed!" At once the man's leprosy disappeared and he was healed. Before sending the man on his way Jesus said firmly, "Don't tell anyone about this. Just go and show yourself to the priest, and take an offering to the Temple as commanded by Moses, and everyone will know that you have been healed." But, instead, the man went and told everyone what had happened. This meant that Jesus could no longer go openly into any town, but had to stay out in the country. Even so, people would still come to him from everywhere around.

Lord Jesus, please increase our faith in your love and compassion, and give us the compassion and strength to help us to care for all those who are left out. Amen.

Saturday evening Mass time: 6:30pm
Sunday Mass times 10am
Weekday mass times: Monday 9am, Tuesday - Friday 10am
